Rotary and PCVG Partner

Penfield Rotary and PCVG partnered up to put together a wonderful garden at Camp Haccamo

https://www.camphaccamo.org/

Plants were donated by The Root Tenders Garden.

Camp Haccamo is a camp in Rush, NY offering a free, safe and most importantly fun social camping opportunity for the disabled. It was founded and is funded by Rotary Clubs of Monroe County.

Thank you Nancy, Tara, Marie and all the Rotary members that assisted in this community project.

Produce Collection for Penfield Ecumenical Food Shelf

Cooler for produce collection will be removed September 15th. As the harvest winds down our produce collection will end September 15th.

You can always donate fresh food to the food shelf by bringing it directly there on Wednesday morning.

Shelter project with furniture update

Site preparations for our shelter will began soon. The picnic area will be coned off when the area is prepped for safety.

Fall Clean up Guidelines

• Cut up material before putting them into compost stalls.
• Remove plastic markers and twist ties plastic won’t compost.
• Shake off soil before putting veggie plants in compost stalls.
• As we begin fall clean up no tomato plants in the compost pile, and no tomato fruit in the piles as well.
• There are plastic garbage bags on the floor of the small shed by the picnic area if you need a bag for transporting tomato plants to your home garbage bin.
• Sunflower stalks will not break down quickly. Toss the stalks into the forest behind the compost stalls.

Day of Service

The community garden would like to thank the Nazareth students who came and participated in a day of service. This program is part of their orientation process and we have had Nazareth students come to our garden for the past 10 years.
Committee Members Needed!
The administration of the PCVG is done wholly by volunteers. There are no paid officers or employees; they are gardeners just like you. Officers can only serve for two years so the organization needs the full participation of all its members to run it. Please consider joining a committee and taking an active part in helping to continue the development of, and improvements to the organization. Come to a committee meeting and see how much fun it is as well! Monthly committee meetings are held on the third Thursday of the month at 7pm in the Community Center on Baird Road.
